# message from our founders

## CHRIS & HEATHER HERREN

Looking back on the past year, we can't help but feel a sense of awe in what people all over the country have been able to accomplish given these unprecedented times. Every day, we are reminded not only of the tenacity of the human spirit, but the importance of a strong and unconditional community.

What makes Herren Project unique is that it is rooted in community. Despite the challenges of the pandemic, it is this sense of community that has helped Herren Project persevere over the past year. As an organization, we have grown significantly and prospered in ways we never thought imaginable. In 2019-2020, we saw a 30% increase in donations, doubling the number of people supported through our free treatment, recovery and prevention programs.

Although the pandemic has pushed us further apart physically, Herren Project has never been closer in spirit and solidarity. We would like to thank everyone within the Herren Project community for their extraordinary efforts in making this unparalleled year one of our greatest. Thanks to our community, we stand as a beacon of hope to those who are affected by substance use disorder, especially during one of the most trying times in our history.

As we embark on the journey together in the year ahead, we find solace and comfort knowing the seeds of hope we planted across the country and continue to plant everyday are ready to rise and bloom into something much greater - a flower of promise. Our promise is there will always be a welcoming community here to support, inspire and empower people across the country in their journey of recovery and prevention of substance use disorder.

Gratefully,  
Chris & Heather Herren

# 2020 year in review

## BOYS TOWN SPIRIT OF YOUTH AWARD

Founder, Chris Herren received the 2019 Spirit of Youth Award from Boys Town New England for his work impacting youth in the local community and across the country.

OCT

## 31 NIGHTS OF LIGHT

Prudential Center in Boston recognized 31 nonprofit organizations throughout the month of December. The Boston sky lit purple as a beacon of hope in the fight against the disease of addiction on December 18.

DEC

## 5k YOUR WAY ANY DAY

From April 5 to May 10, more than 250 individuals from coast-to-coast, participated in their own virtual 5k. Together, they raised \$11,017 for the COVID-19 Emergency Relief Fund.

APR

## SEEDS OF HOPE

144 adults and 16 teens participated in our month-long Seeds of Hope Cross-Country Event. They covered over 14,000 miles and raised over \$40,000 for the Empowerment Appeal.

SEPT

## DODGE BALL TOURNAMENT

Herren Project hosted a dodge ball tournament for alumni and members of the recovery community, as one of many events we participated in during SAMHSA's National Recovery Month.

NOV

## NYC MARATHON

The 2019 NYC Marathon marked a milestone for 7 of our 10 teammates - running their first marathon. Grateful to be part of this moment, the team also raised a record \$49,511 to support the work of Herren Project.

MAR

## WELLNESS WEEK WITH HERREN

Herren Project, Herren Talks and Herren Wellness hosted their first, nation-wide prevention initiative and wellness movement, Wellness Week with Herren. Thousands came together across the country to celebrate wellness and recovery and the power of being you.

MAY

## HERREN PROJECT LIVE

Herren Project LIVE, a new weekly online series was introduced with Executive Director, Kevin Mikolazyk, featuring candid conversation with "game changers" in the recovery and prevention of addiction.

Karla was placed into treatment through Herren Project and granted a recovery scholarship. She now celebrates 2 1/2 years of sobriety as a proud member of the Herren Project alumni community.

\$1,619,533

awarded in treatment scholarships, including in-kind donations and other treatment related expenses

1,542

individuals reached out for support and resources

1,692

hours of free recovery coaching

“Now that I am in recovery, I can honestly say that I am a woman of dignity, honor and grace. And those were words I have never used to describe myself, ever. Addiction is an experience, not an identity.”

- Karla C

## inspiring individuals

### FINDING HOPE THROUGH COMMUNITY

Herren Project is honored to have walked with over 1,200 brave men and women on their journey to recovery since 2011. Our recovery community is stronger than ever. Alumni are engaged and sharing their own personal stories of recovery in hopes of inspiring and empowering others to take the first step towards recovery.

Fiscal year 2020 marked another extraordinary year for our treatment and recovery program. We had 381 men and women reach out for help with 220 making the decision to seek treatment. The recovery scholarship program awarded 137 recoverees with sober living and recovery coaching for seven weeks upon leaving their treatment program. More than half of the recipients completed the seven-weeks, with 56% of them hitting a 90-day sobriety milestone.

The second half of the year brought about unexpected challenges due to the global pandemic, but Herren Project rose to the occasion. Through the generous donations of our donors, the COVID-19 Emergency Relief Fund was born. We were able to support not only our current clients, but alumni as well with rent assistance and recovery coaching. Nineteen individuals were helped during this difficult time. Thanks to this fund, the risk of relapse was significantly reduced.

In addition, Herren Project started nightly, online recovery meetings in March to provide additional support to the recovery community. Open to all pathways of recovery, these meetings are still running strong, reaching an average of 324 individuals per week.

6,487

individuals attended nightly online recovery meetings created in response to COVID-19

\$11,976

awarded in COVID-19 assistance for individuals living in sober homes

Alumni Groups from Florida & Massachusetts

# supporting families

## BRIDGING THE GAP THROUGH EDUCATION & SUPPORT

As the addiction epidemic continues to take a toll on our country, Herren Project's family support resources are more vital than ever. Led by Kristin Young, LICSW, Director of Clinical Services, our family support team empowers families through free services like one-on-one phone consultations, online support groups and other online educational resources to promote personal healing and rebuilding of the family unit.

In fiscal year 2020, 1,913 families were provided free support and online educational resources, a 50% increase from 2019. Much of this increase was largely due to the global pandemic. With more people struggling and social distancing put into place, the need for family support and education was more important than ever before.

Herren Project met the increased demand for support by adding a second clinician to provide one-on-one, 15-minute consultations. Four new licensed clinicians were brought onboard to facilitate seven new groups, including the addition of parent support groups, one specifically for parents with adolescent children. The need for virtual support increased dramatically, as evidenced by the stark growth of new support group registrations - a record 289 sign-ups.

The necessity for education around substance use disorder also grew. Quarterly webinars as well as a monthly Lunch & Learn Series were introduced starting in November. These free webinars help provide education and to create healthier relationships with loved ones. Since they began in 2019, over 1,000 people have participated.

"Chris Herren spoke at our school and made a tremendous difference in my life. Joining an online group has changed my life and my path as a parent on how to support my son. The webinars are insightful and have made my relationship with my son better and less stressful. As a parent, you hope for recovery for your child, but through Herren Project, I am finding the recovery for me." - Lee Munro

"The family support groups have empowered me to live my happiest life by giving me hope and the courage to change." - Patti B.

*Patti is a Herren Project Ambassador and Team Herren Project teammate active in our family support groups.*

# empowering the next generation

## PROMOTING HEALTHY CHOICES & WELLNESS

In September 2019, Herren Project Clubs, our new school-based prevention and wellness program, was officially launched. This newly reimagined program expanded dramatically over the past year.

Twenty-seven schools participated in the first soft launch and another 30 in the second. All 57 schools received a physical toolkit filled with 10 evidence-informed activities teaching healthy choices, decision-making skills, stress management, empowerment and self-care. Another 119 schools registered for the digital version to implement a club at their school and anxiously await the final release of the full toolkit in the 2020-2021 school year. A virtual edition of Herren Project Clubs is also in the works to meet potential challenges due to the ongoing pandemic.

In total, 176 schools registered to become a Herren Project Club across 28 states with over 1,500 students participating. The response has been overwhelming and showed the critical importance of wellness and peer support for today's youth. Through Herren Project Clubs we are able to share our ultimate goal: the prevention of substance use disorder.

## YOUTH ENGAGEMENT

In January 2020 we introduced a new position, Youth Engagement Specialist, to help us reach middle and high school students on a broader scale. We are also excited to announce the planning of our first youth empowerment conference, Inspire, coming in July 2021.

Herren Project's Prevention team also found creative ways to bridge the engagement gap during the pandemic. One way was with the re-introduction of "The Purple Couch." This bi-monthly YouTube series, led by Youth Engagement Specialist, Izzy B., connects with middle school, high school, and college students discussing topics relevant to today's youth and provides a safe and positive place to ask questions and be heard.

## SCHOLARSHIPS & GRANTS

### Student Scholarships

**Hilda Maldonado**  
*Burncoat High School, Worcester, MA*

**Ben Chase**  
*Portsmouth High School, Portsmouth, RI*

**Bryan Rodriguez**  
*Dayton High School, Dayton TX*

### After-Prom & Graduation Grants

**Durfee High School**  
*Fall River, MA*

**Barnstable High School**  
*Hyannis, MA*

**Upper Dublin High School**  
*Fort Washington, PA*

"The biggest impact the Herren Project has made on our students at Hungary Creek Middle School is the reminder that we all struggle with something. It may not be drugs or alcohol, but everyone struggles. Herren Project has given us an opportunity to learn how to cope with these issues, together. We continue to create awareness for our students based on Herren Project Club activities and that has been a tremendous success for our students as well." - Joshua L. Gentry, M.Ed

# moving forward in community

WHILE RAISING AWARENESS FOR SUBSTANCE USE DISORDER

Individuals from all walks of life raise funding and awareness through Team Herren Project. Since 2014, more than 800 teammates from 41 states have represented Herren Project in 250 events across the world, bringing meaningful engagement and supportive community with a fitness focus. Many have cheered us on, together raising over \$2 million for our free programs and services.

Fiscal year 2020 started off strong. On August 18th, 61 men and women took to the streets of Falmouth, MA for the 47th running of the New Balance Falmouth Road Race. Together they raised over **\$82,000**. In September, 25 runners joined us for our 2nd Berlin Marathon in Germany followed by our 7th appearance at the NYC Marathon. Additionally, we fielded our largest Spartan at Fenway team with 31 teammates and participated in our first-ever Seattle Marathon.

In full swing for another record setting year, COVID-19 hit hard and fast. The pandemic resulted in the postponement and then cancellation of the remaining Team Herren Project races for the year. This presented a challenge, but that didn't stop this passionate group from continuing to fundraise, build relationships, and spread awareness for the disease of addiction in the remainder of the year. Our 2020 Boston Marathon team alone, still raised an amazing **\$185,339**.

Team Herren Project played a vital and supportive role in fulfilling the need for community and connection during the pandemic while inspiring members to challenge themselves in challenging times. Faced with constraints on in-person gatherings, Team Herren project went virtual! In April, we introduced the inaugural, virtual 5k Your Way, Any Day. Engaging 291 people, they raised more than **\$11,000** for the COVID-19 Emergency Relief Fund. In July, as part of our annual campaign, we planted seeds of hope with our 1st Virtual Seeds of Hope Cross Country event. From teens to seniors, 160 teammates ran, walked, cycled, skated, kayaked, swam and even galloped throughout the month, covering more than 14,000 miles and raising **\$40,000** for The Empowerment Appeal. The personal growth, relationships and encouragement shared every day through Team Herren Project helped fulfill one of our most important jobs – supporting each other through community and connection and bringing positive awareness to substance use disorder.

“I run for Herren Project because I feel welcome as a peer in recovery, a teammate, a friend and a part of this family. One of their mottos is ‘Be You’ which resonates with me. I contribute my individuality to a community that welcomes it. My energies and efforts are not only recognized, they’re supported with an all-embracing kindness and love. What was so freely given to me has allowed me to be of service to promote recovery. What a beautiful thing.” - Kevin O’Toole

“A friend talked me into running my first half marathon in 2011 when I was 5 months sober. When I signed up, I had no intention of actually running the race, but when I crossed the finish line, I was hooked! We’ve been running together ever since.” - Ginger Stephens

Ginger is an active member of Team Herren Project who has run in numerous races and celebrates her own personal recovery.

# creating partnerships

WORKING TOGETHER TO ACHIEVE GREATER IMPACT

Like recovery from substance use disorder, Herren Project believes it takes a community to make an impact nationwide in the treatment, recovery and prevention of addiction. The foundations, corporations and community partners we collaborate with all share in one common goal – helping more people find the support and resources they need for recovery and to raise awareness for the disease of addiction.

Commodore Builders

Partnerships are vital to our mission and work. We are grateful to collaborate with like-minded organizations like Herren Talks, Tori Lyn Andreozzi Foundation, the Worcester County DA, Nelly Strong Foundation, local prevention coalitions and so many others who believe and trust in the mission and goals of Herren Project.

We would like to extend an extra special thank you to five partnerships that have supported Herren Project consistently year after year, raising a collective **\$215,113** – Rob Keener Memorial Golf Outing, Brent’s Bed, Hope for Recovery, MPM Golf Tournament and ROAR.

With every partner’s generous support, both financially and in shared compassion, we have been able to keep the conversation going around substance use disorder as well as expand our programs and services for treatment and prevention. As a 100% privately funded nonprofit, we could not do what we do without their commitment.

In December 2019, a pilot program was launched in partnership with Commodore Builders. The Corporate Wellness & Recovery Program is an innovative program providing personalized support and guidance to employees and their families by connecting them to appropriate resources for individuals struggling with substance use disorder. We hope to expand this corporate program in early 2021.

## TREATMENT PARTNERSHIPS

Finding quality treatment for the disease of addiction is a number one priority at Herren Project. Herren Project partners with a trusted network of drug and alcohol treatment providers nationwide to provide individuals with the best care possible. Thank you to these treatment facilities who generously granted in-kind donations totaling **\$1,325,700** to help individuals receive quality treatment and find recovery on 2019-2020.

# encouraging wellness

PREVENTION - WELLNESS - RECOVERY

Herren Project, Herren Talks and Herren Wellness hosted their first annual, nationwide prevention initiative and wellness movement, Wellness Week With Herren, March 2 – March 7, 2020. Thousands across the country came together to BE YOU & LIVE WELL.

Chris Herren and the entire Herren organization, along with schools and communities across the country, celebrated wellness and recovery and the power of being you in March 2020. This new week-long, wellness-driven initiative ignited conversation and action regarding the importance of wellness in our everyday lives to help prevent the misuse of substances and ultimately, addiction.

Each day of the week featured a different theme to engage individuals, schools and communities to generate an understanding of wellness and its impact on our physical, spiritual and mental health. Through educational blogs and healthy activities, like the Herren Fitness Challenge, our goal was to provide tools to introduce the practice of wellness into one's daily life and encourage healthy choices.

We partnered with 20 organizations like The Family Dinner Project, Wellstrong and Worcester Fitness, as well as the Worcester County District Attorney. The week ended with our tradition of going purple, with schools and communities showing their purple “BE YOU, LIVE WELL” spirit, celebrating the power of wellness, community and healthy choices.

## HIGHLIGHTS OF THE WEEK

- Thousands of people from coast to coast participated in the first ever Wellness Week with Herren.
- Chris Herren participated in the Herren Fitness Challenge logging over 50,000 steps and 6 gallons of water.
- Over 2,500 shirts, 50 banners, 2,000 stickers and 2,500 wrist bands were distributed to schools and coalitions to encourage healthy practices and wellness and the “BE YOU” spirit.
- The Sakonnet River Bridge in RI and the Kenneth F. Burns Memorial Bridge in MA were lit purple throughout the week to raise awareness for prevention, wellness and recovery.
- Herren Project Alumni gathered to express their creativity through art, share their wellness journeys and goals while bonding over stories of recovery at a paint night.
- Our first “Be You, Do Good” volunteer event was held collecting toiletries, pajamas, wipes and diapers for two local nonprofits.

# planting seeds of hope

## ANNUAL EMPOWERMENT APPEAL

In July, we held our 2nd annual campaign to raise funds to directly support Herren Project's mission to support, inspire and empower those affected by substance use disorder, one person, one family, one community at a time.

This year's theme was about planting seeds of hope. Just like seeds transform into beautiful plants and flowers, we recognized four inspiring men and women who went through their own incredible transformation with the support of Herren Project, becoming powerful examples of recovery and healing thanks to someone believing in them.

We also introduced our inaugural Seeds of Hope Virtual Cross-Country Adventure. Covering 14,078 miles, 160 teammates of all ages ran, walked, cycled, skated, kayaked and swam during the month of July, raising over **\$40,000** as they planted seeds of hope across the country. This event was a huge success and we look forward to hosting it again in 2021.

In all, 1,151 people planted a seed of hope to empower more people to live healthy, fulfilling lives free from the effects of addiction raising **\$264,016**.

**\$264,016**

dollars raised through the appeal during the month of July

**1,151**

individuals donated to the appeal

**160**

individuals participated in the seeds of hope event

**14,078**

miles run, walked and biked by participating individuals

## DONORS MAKING AN IMPACT

Thanks to the generosity of The Gravina Family Foundation and The Chace Family, Herren Project was able to provide schools and communities with Chris Herren's, *The First Day* Film. The film, including lesson plans and the Herren Project Club toolkit, was awarded to 59 schools and 9 communities.

Their leadership and support made a meaningful impact in providing vital resources in the prevention of substance use disorder. Together, we have started a conversation that we know will make positive strides in educating and empowering today's youth nationwide.

**59**

schools received *The First Day* film to show in their school

**9**

communities received *The First Day* film to present in their area

"We are very excited and grateful to include these powerful resources in our schools and curriculum, and look forward to using them in supporting the quest toward optimal physical and mental health for all in our community. We look forward to working with Herren Project in a systemic way toward prevention, safety, and support. Thank you to your organization for the amazing work you are doing. Your purpose and mission are saving lives!" - Keri Sollitt
