

Herren Project Youth Ambassador Program

Youth prevention is important to Herren Project! Our youth ambassador program engages youth, not only on a community level but a national level. The input and voices of today's youths are valued at Herren Project.

Being a youth ambassador means playing an active and decisive role in peer-to-peer activities like Herren Project Clubs and involvement in national and local (your state) youth events to engage more students across the country.

The Youth Ambassador program is for youth leaders, grades 9-12, who want to make a difference and be a role model to inspire their peers to lead a healthy, fulfilling life substance-free. **It is a 1-year commitment.**

Fifteen students from across the country will be chosen to serve as youth ambassadors with **four** serving as part of the Executive Board.

- Be YOU! Being true to who you are is one of the TOP things we want and look for!
- Be HEALTHY! We're here to create a positive atmosphere!
- Be HONEST! If something is wrong, there is an issue, or anything else, just be honest.
- Be CREATIVE! Do not be afraid to say an idea! Let your imaginative mind and thoughts run!
